

## TCET REPORT FOR THE FEBRUARY 2024 GA

TCET, along with the Goodwill team had a productive meeting this week. The following events were discussed. As both the TCET team and the Goodwill team have gotten smaller over the last few months, it was decided we would help each other out at different events.

The Valencia/ Oceanographic trip on the 18<sup>th</sup> April, host Jeanie James, is selling well.

The Goodwill team have different events happening during May so TCET is planning another trip to Valencia on the 12<sup>th</sup> June. This time will take in IKEA and the Bioparc.

Also in June we are planning a trip to the San Juan festival in Alicante, details to be finalised.

We planning in September an evening to Benidorm Palace, this time to see the new show that will be out by then.

We have decided to start the coffee mornings again this month. Magda is looking at Palmera or Don Quixote, both in Orba. As soon as its been arranged details will be on the website, we are looking at the 28<sup>th</sup> February. The following months for coffee mornings will be April and June. We are in discussions whether to hold a coffee morning in the month of August.

At the next GA in March, we will be asking the membership to choose which of the following trips they would prefer. We are in discussions with our travel agent re doing the Barcelona visit by first class train again. This was very popular last time and members have inquired about it happening again. However we also have the Christmas trip in mind. This would be in Benidorm at one of the hotels that will cater for the brits at Christmas time. We need to know which one you would prefer to go on. Whichever proves the most popular we would run. We will not do both.

Can't believe that January has passed us by so quickly and we will be getting information out to you as soon as possible. Although I am not standing as Co-Ordinator for TCET again, I am as always fully involved in what is planned.
