President's Message

Dear Members,

Ian Whitby
Logic Financial Consultants

Inevitably all our thoughts this month are with the victims of the devastating floods in Valencia, as well as the many rescue workers and volunteers who are doing everything they can to help in this desperate situation.

At the General Assembly on November 7th, we were joined, as is usual at this time of the year, by a representative of the British Legion selling poppies. On this occasion we observed two minutes silence to remember those who died in the floods as well as the servicemen who gave their lives in past wars.

I am pleased to report that we also raised Euros 240 through donations and the sale of sausage rolls and pre-loved items, all of which has been donated to the Valencia appeal. Previously we had cancelled our planned Halloween event at Pepe's in Alcalali, when the three days of national mourning were announced.

It felt wrong for us as guests in this beautiful country to be partying at such a time. This was obviously disappointing for all the team who had worked hard preparing for the event and the members who planned to attend. Nevertheless, I am sure it was the right choice.

The restaurant was very understanding of our decision and kindly allowed us to reschedule a replacement event on November 12th. We had the same menu and entertainment from Paul and Jude as before, but without the Halloween theme. All monies raised from the event, the raffle and donations will once again go towards the Valencia appeals.

We have already purchased and delivered (via Project4All) a large car full of the items requested by the relief organisations and are planning to do the same again soon.

In addition, our Goodwill team have delayed the final allocation of funds collected this year so that they can take the situation in Valencia into consideration. Whatever they decide is only possible because of the generosity of you, our members, supporting our different events throughout the year. I therefore give you my heartfelt thanks for this support.

Kind regards, Chris

Logic Financial Consultants Presentation

Our speaker at the General Assembly on 7th November was Ian Whitby from Logic Financial Consultants, accompanied by his son, Joe, who is part of the business along with another son.

Ian explained that they are a family business with over 50 years' experience between them, both in the UK and Spain. They are registered and regulated in Spain and see themselves very much as a service business, building strong relationships with their customers and providing continuity of service. Both sons are fluent Spanish speakers and they work mainly via referrals.

They provide investment, pension and tax planning advice on a transparent fee basis and do not receive commission, so the cost is clear upfront. Ian explained that most questions they deal with relate to taxation as this is different in both countries, as are the tax years.

They provide a free consultation on tax, pensions and investments and produce an individual suitability report offering solutions that are transferable to the UK.

Ian then mentioned the recent budget and the decision to include pensions into one's estate for inheritance tax from 2027 which can have a significant impact for some people.

He stressed the importance of not only having a Spanish will, but to ensure it states to cover your wishes under UK law so that you can leave your estate to whoever you wish and not have to follow the Spanish process of inheritance.

He also pointed out the importance of each person having an individual Spanish power of attorney to ensure your wishes can be followed if you are incapacitated. Unfortunately these are not transferable between Spain and the UK. In the UK one is required to have separate ones for health and finances, in Spain it is all covered by one.

A very interesting and informative talk in plain terminology which was easy to follow. A number of questions were asked and it is clear that everyone's situation is different, hence the need to take professional advice.

Logic are based in Javea and can be contacted on 965 02 04 44

Valencia Donations

We have all been shocked and devastated by the tragic flooding disaster in Valencia and our thoughts are with all those affected and those bravely assisting.

As an organisation we wanted to help so we went shopping on your behalf and filled our cars with as much essentials we could manage and that we had been asked to get: sustainable foods, water, milk, toiletries, baby items, cleaning products etc.

They were delivered to Valencia at 5am the following day courtesy of Project 4 All who filled vans to the roof with a mountain of generous donations. It was overwhelming to see the quantities that had been donated in such a short time and to know that this was happening in villages and towns everywhere. Arne Soeten, the President of Project 4 All was so grateful.

A huge THANK YOU to all members for your support throughout the year which has made this possible. Every euro collected throughout the year by your Goodwill team goes directly to supporting charities in need and, sadly, this year the demand is bigger than ever.

We plan to do another shop when we know what is needed as this situation will need long term support.

It is humbling to see communities and organisations coming together to help in this way and people volunteering to help in so many ways. Even the young girl on the check out in Mercadona who processed our trolley loads sent her thanks to the British people for helping.

We are fortunate to live in this beautiful country and are proud to help.

Bicycle donations for Valencia

One evening I spotted a request on Facebook for unwanted bikes to send to Valencia to help those who had lost their mode of transport get to work etc.

Chris and I delivered 4 the next day that had sat in our garage since we came to Spain and I doubt would ever be used!

I then delivered another 7 that several very kind friends who are u3a Vall del Pop members donated.

Niamh who organised the initiative had hoped to receive 20. When I left after my third trip they had close on 100!!!!

Cars kept arriving and unloading some fantastic bikes in great condition. So much so a lorry has now taken them to Valencia where they will be checked over and provided to those in most need. Another example of amazing community spirit and support at such a terrible time.

Thank you to everyone for helping - Paula Barrett

More bikes needed for Valencia

VALENCIA BICYCLES UPDATE - WE CAN'T STOP NOW!

For those of you who have been to help at the badly affected areas of Valencia you know there are no words to describe it. Staggering. Vast. Overwhelming. Devastating. All just words. One thing that is tangible in the atmosphere is HOPE. And that is being created by the spirit of people.

Our delivery of bicycles to Sotteranya this weekend made a SIGNIFICANT difference on the ground.

Volunteers are using them to get to hard to access areas.

Adults are using them to get to work and Kids can get to school.

THANK YOU to everyone who donated a bike from their garage last week.

We received 122.

A massive difference to many people.

And yet a drop in the ocean. PLEASE let's keep going.

MAKING THE EFFORT makes all the difference!

If you would like to donate any bikes but cannot deliver we can help.

Please message Paula secretary@u3avallpop.com or whatsapp me

We have delivered 17 so far but I'm sure lots of us have bikes we don't use anymore!

Trampoline Donation to Murla School

We were recently contacted by one of our u3a members, Sheila Skinner, who knew of a large children's trampoline that was being donated to raise funds for Make a Smile children's charity. Sadly it could not be used by the children's home in Benissa that we support due to their Health and Safety regulations.

Sheila approached the Goodwill team to see if we would buy it and donate it to the Murla school as they would welcome it with open arms. A teacher is always in attendance when the children are outside so can ensure it is used safely.

So on Friday 8th November Marian White and Sally Ellis from the Goodwill team, plus Peter Ellis, met Sheila, the kind donors and Raquel, the head teacher, to receive it and assemble it ready for the children.

It took two hours of hard work, head scratching and Peter having to pop home to source extra screws etc!! But with help from others and great teamwork the trampoline was ready for use and the children were very excited.

We are delighted to be able to donate this on your behalf and I'm sure when u3a's Santa visits in December we will see it in use.

We may even hear the squeals of delight from our General Assemblies!

Thank you to Sheila for organising this and Marian, Sally and Peter for your hard work.

Ladies at Lunch October 2024

On Tuesday 15th October 2024, twelve ladies enjoyed a lunch at El Quixote in Orba.

Flavio and his team made us all very welcome.

There were two starters, a salad and savoury pastry, main courses of fish with vegetables en papillote and hamburgers, followed by apple cake or ice cream.

We sang 'Happy Birthday' to Mary Wood, and the restaurant sent over a glass and an individual bottle of Cava, a lovely touch.

All enjoyed with a good amount of chat and wine.

I have planned ahead for our next two lunches as I know the diaries will be getting filled up.

Tuesday, 19th November 2024. Restaurante Cal Xixonero, Jalon. Spanish Tapas style.

Tuesday, 17th December 2024. Victoria Station, Parcent.

I look forward to seeing you all soon. New members always welcome.

Walking Group

7 October – Jalon to Alcalali

As the temperatures fall we return to our normal walking routine. We do the same walks, but we start an hour later. It still felt pretty warm on this walk, and we continued to have regular water stops

11 October – Monthly Group Meal

There were 27 of us for the monthly meal at the Pensionista in Jalon. It started as a twice weekly get together during the walking break in July and August, but has proved even more popular since we agreed to extend it to a once monthly opportunity to meet up without our walking boots.

14 October – Parcent to Alcalali

Much cooler today, just 17c as we set off from Parcent. Also more changeable weather with more possibility of rain. Today was cloudy, but fortunately dry, the sky cleared and the sun appeared for our well deserved drink at the Pensionista in Parcent.

November 2024

Walking Group cont.

21 October – Montgo Iberian Settlement

Once or twice a month we try something a little more challenging than our more usual valley walks. Taking four hours, this lovely walk is a little longer than normal. It also involves a gradual climb with about 200 metres of ascent. But the views at our picnic site make it well worth the extra effort.

28 October – Lliber to Senija

This is often a wet month, and this year was no exception. Everyone welcomed it, after a particularly long dry spell. The weather forecast for today was cold and wet, and we almost cancelled. Lucky we didn't because it turned out to be sunny and pleasantly warm. Though there was a lot of mud about, and we had to find an alternative route because one track looked more like a river.

October is a very special month for walking in this area, similar to spring in the UK. After a very long, hot summer the cooler temperatures make walking a pleasure. Though there is always the possibility of getting caught in a heavy shower.

If you would like to join one of our walks, or would just like more information, please send an email to paulleniston@hotmail.com

Boot Sale Rained Off

Chris and Sally getting very wet on Sunday 27th October, when we had to cancel the Car Boot Sale due to the weather being wet and cold. We arrived at 7.30am as planned, to meet up. Decided at 8.30am to head over to Casa Claudia to warm up.

Casa Claudia provided us with a welcome breakfast and warm drinks. Car Boot is now rearranged for 1st December along with the Christmas Craft Fayre, making this a bigger event. Fingers crossed it stays dry!

Jalon Christmas Fayre and Car Boot Sale Sunday 1st December

Unfortunately we had to cancel the car boot sale on Sunday 27th October as the weather was pretty awful, cold and wet. We had hoped the forecast would be wrong but sadly not on this occasion. This was disappointing for everyone involved: us, stallholders and visitors.

The good news is we are combining it with our Christmas craft fayre on Sunday 1st December on the rastro site in Jalon.

This means there will be something for everyone: Santa will be there, we have live music from The Jukes and Forever Young, hot bacon rolls and sausage baps, mulled wine and bar, lots of great craft stalls, great cakes and savouries, tea and coffee and lots of car boot pitches, so you are bound to find something of interest. A great chance to buy bits for Christmas, treat yourself or grab a bargain.

This is our first time running the fayre, which was previously run by ARC Animal rescue charity, so we want it to be a big success for Jalon, the community, the stallholders and the charities we support.

Please come along and support us or book a pitch, either in the craft section or car boot by e mailing **goodwillevents2@gmail.com**

We look forward to seeing you there and thank you for your support.

TASMA 2025 PROGRAMME

COME FOR THE STORY—STAY FOR THE SOCIAL!

WEDNESDAY, 5 FEBRUARY 2025: Catherine the Great

By Andrew Prince

In 1762 Empress Catherine II was the sole ruler of the Russian Empire, creating the most glittering court in Europe, and became the world's greatest collector. From the arts to architecture and dazzling jewels, her craving for cultivating and accumulating the finest items formed the nucleus of the St. Petersburg Hermitage Museum. The unknown secrets of Catherine's lust for art and her private passions will be revealed!

WEDNESDAY, 5 MARCH 2025: Who's Andy Warhol?

By Alejandra Carazo

Andy Warhol is remembered as the king of pop art who embraced celebrity and consumerism, and would become an American icon. Yet there is a lesser-known side to him: the shy, gay son of immigrants whose prolific and experimental artistic practice enabled a counterculture that would play a part in transforming modern art. Don't miss this incredible success story!

WEDNESDAY, 2 APRIL 2025: J.S. Lowry: A Visionary Artist

By Michael Howard

J.S. Lowry is one of Britain's most famous artists, known for his portrayal of the labour condition. In this lecture, Michael will present the case that his work is the visual counterpart of T.S. Eliot's poetry and can be claimed as the British Van Gogh. Too much? Listen to this fascinating presentation and decide for yourself!

WEDNESDAY, 7 MAY 2025: Francis Bacon

By Frank Woodgate

Until his death in 1992, Bacon was regarded as Britain's greatest 20th Century artist, and his dramatic images can be exquisitely beautiful and shocking at the same time. Perhaps more than any other artist, he captured the darkness at the heart of the human experience. Come to learn how his work explores abjection, nihilism and hope!

THE ARTS SOCIETY MARINA ALTA

WEDNESDAY, 5 JUNE 2025: The Age of Jazz

By Sandy Barnett

Jazz is one of music's most important genres: a fascinating blend of rigorous structure, creativity, close-knit ensembles and imaginative improvisation. Back by popular demand, a musicologist and gigging musician, Sandy will shed light on jazz from the inside. His talk covers the early years of jazz up to WWII. Swing by one of our most entertaining lectures of the season!

WEDNESDAY, 2 OCTOBER 2025: The Architecture of Mughal India

By Dr. John Alexander Stevens

Before the British arrived in India, the subcontinent was ruled by the Mughal Emperors. The stunning architecture and gardens of the 16th and 18th Centuries left an indelible stamp on India's cultural landscape. John weaves a compelling story of one of the most prolific eras in our cultural history.

WEDNESDAY, 6 NOVEMBER 2025: Art of the 21st Century

By Anna Mouzynska

How do we make sense of the art of our time? Anna examines recent trends that define the art of the new millennium. New media and technology now means that art from around the world plays a major role in museum acquisitions. Find out why "relationship aesthetics" have emerged as key words in our comprehension of The Arts.

WEDNESDAY, 4 DECEMBER 2025: The Adoration of the Magi

By Geri Parfley

They've adorned our Seasons Greetings and taken pride of place in our cribs and school nativity scenes. Centuries of artists have been provided with a chance to add a dash of exotic colour into their scenes of the birth of Christ. Did you know the legend of the Magi links them with the first Christian artists?
