President's Message

I am writing this short message sitting on our terrace on a beautiful evening, in what is perhaps my favourite time of the year. The heat of the summer has passed, as have the recent rains, the colours are softer but short-sleeve shirts or polos are still all that is needed, at least in the daytime.

I have said before that this is also the busiest time of the year for our Association, as we begin our run-up to Christmas. I know that our Committee, the Travel & Entertainment and Goodwill teams are all busy preparing different seasonal trips and events for our enjoyment. Some of these are unfortunately sold out but others are still available, so please consider joining us when you can.

Before then we will have our next General Assembly on November 6th, another important date in the calendar. This year we have invited Terry Waldron, President of the local branch of the British Legion to be our speaker. He will describe the valuable work that the Legion does in our region and across Spain and two of his team will be selling Remembrance Day poppies in the usual way, taking over from our member Tony Edmunds, who has previously looked after us for many years.

I have a feeling that many of us will be surprised by the range and extent of the Legion's activities, so please come along and hear what Terry has to say.

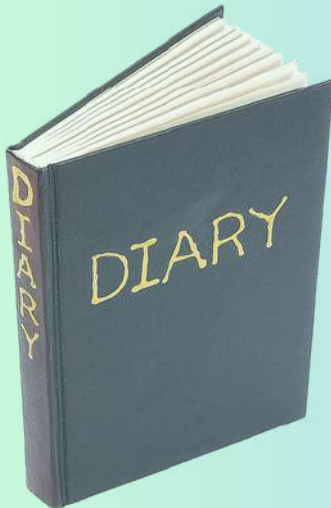

With best wishes,
Chris

President's Message cont.

For those who like to plan ahead and have a 2026 diary, here are the dates of next year's General Assemblies in Murla, all Thursdays:

January 8th, February 5th, March 5th, April 2nd, May 7th, June 4th, September 3rd, October 1st, November 5th, December 3rd

We are arranging a great mix of visiting speakers and we welcome volunteers for our "Meet a member" slot.

We look forward to a packed room and lots of fun. Hope to see you there.

Positions vacant

We have a very hard working committee who give up their time to keep your u3a running smoothly. They are voted in by yourselves, our members, at our AGM annually and anyone who is interested in getting involved is welcome to put themselves forward.

We will have a vacancy soon for Assistant Secretary so if you have good verbal and written communication skills this may interest you. The main responsibility is to stand in for the Secretary at meetings and take minutes if she is not available. Also to help with any general communications.

Barbara, our Membership secretary, also needs an assistant to help with the annual membership renewals. If you have good organisational skills this could be for you.

These are great ways to get to know the workings of our committee and get more involved over time. You won't work alone, we operate as a team.

Please talk to us if you are interested. We would love to hear from you.

OK Band Afternoon Picnic 21st September

On Sunday 21st September we were once again treated to a fantastic afternoon party by the OK band at their beautiful home in Benissa.

120 members, friends and supporters of the band came and picnicked, partied, sang and danced the afternoon away in aid of the Goodwill team, raising money for local charities in need, and had a ball.

The playlist was fabulous. The OKs sounded better than ever and everyone had a lot of fun. Many chose to sit outside or spilled out to cool off on an Indian summer's day, the bar was well supported as was the cake and refreshments table.

Huge thanks to Terry and Co for so generously allowing us to take over their home, to all the band for giving up their Sunday and entertaining us so fabulously, to everyone who came and supported the event and to all the helpers and bakers! We are so grateful to everyone.

We raised the incredible sum of 1941euros from ticket sales, raffle, refreshments and bar profits so a huge success!

The leftover cakes and savouries were donated to Project 4 All that evening and were given out to the homeless the following day, so another charity benefitted and nothing was wasted. It is an honour to be able to help those less fortunate.

Elche Day Out

Forty two members enjoyed another super day out recently thanks to the Travel and Entertainment team. Carole Wardle had planned the trip but unfortunately was unwell, so Sonia Higginson kindly stepped in to lead the day.

First stop was the the Salvador Artesano shoe factory in Elche which turned out to have the largest outlet shop in Europe! Most of us managed to grab a few bargains and it was a very successful stop.

We then proceeded into Elche and were dropped by the botanical gardens. Some chose to wander around the gardens, others took the land train for a guided tour of the city and palm gardens, a bargain at 2.50e! Time for a lovely lunch before catching the coach back to Jalon at 4pm.

The weather was glorious and everyone agreed they had a super day. These trips are a great way to see places we may not think to visit on our own and avoid the hassle of driving and parking.

Thank you to the Travel and Entertainment team.

Ladies Lunch - September

We started our new season of lunches off with a visit to Benidoleig. To a new restaurant for us, The Naranja en Flor, by the Placa Pais Valencia and the ajuntamente.

When we arrived a long table was set for twenty three ladies, with the magnificent views of the surrounding valley and the Montgo.

Staff were very attentive and friendly and served us all with our drinks and starters to share, bread and aioli, and, on this occasion a Caprese Salad and selection of Croquettes. Our main courses were Pork cheeks, Cod Pil Pil and Homemade Moussaka and to complete our meal a selection of desserts.

All were beautifully presented and very tasty.

I think, from my feedback, the Ladies At Lunch will be returning to enjoy a meal there again.

Our next lunch was to be The Paraisio in Parcent but it's closed on Tuesdays.

Not that it was second choice by any means I have arranged our next lunch for

Tuesday, 21st. October 2025
at Restaurant Nou Portet, Murla.

If, you are new to u3a and wish to join us please make contact through the website

u3avalldepop.com

and I can get you on to my mailing list.

For those on my list, I will send out an invitation and details soon.

Sally.

U3A Monday Ramblers

We started walking again in September, after our two month break during the hot months of July and August. It was still pretty hot, so we started our walks at 0830 to avoid the hottest part of the day. Now that we are in October we can expect lower temperatures and can start our walks at 1000.

During September we did four valley walks.

Jalon to Alcalali, with a drink in bar Claudia at the end of the walk

Parcent to Alcalali, with a drink in Parcent Cooperativa at the end of the walk

If you would like more details about the group
please send an email to paulleniston@hotmail.com

Lliber to Senija, with a drink in bar Varettes at the end of the walk

Alcalali to Parcent, with a drink in bar Toni at the end of the walk

What a great way to explore the area, not to mention the local bars.

Important: New roadside safety rule from 1st January 2026 — replace triangles with V-16 beacon

The Direcccion General de Trafio (DGT) has issued a new directive that will replace the use of emergency warning triangles with a V-16 hazard warning beacon for Spanish-registered vehicles.

From 1 January 2026 Spanish law will require all vehicles to carry a DGT-approved V-16 emergency beacon (a flashing orange roof beacon) for use in breakdowns or accidents. The V-16 replaces the old warning triangles and can be deployed without leaving the vehicle, improving safety on motorways and high-speed roads.

Approved V-16 beacons must meet technical and operational requirements (360° amber flashing light, minimum autonomous operation time, weather resistance) and approved models will connect to the DGT 3.0 system to send the vehicle's location when activated. Until 31 December 2025 you may still use warning triangles, but from 1 January 2026 only the V-16 will be legally accepted.

Penalties may apply for non-compliance. Drivers who do not carry a compliant V-16 could face fines (reported ranges vary between €80–€200).

The DGT recommends

Buy a DGT-approved V-16 beacon now and check that it is listed as compliant. Buy only models certified for use in Spain with DGT-3.0 connectivity - you must connect to the DGT for the geolocation feature. Keep the device charged and stored in the glovebox so it's ready when needed. Familiarise yourself with how to activate it safely from inside the vehicle.

ABOVE IS A SUMMARY FROM THE DGT PUBLISHED INFORMATION.

If you would like further information click on the link bellow.

Jalon Valley Help's new minibus/van

You may recall when Richard Green, President of Jalon Valley Help, came to talk to us at a recent GA they were awaiting delivery of a new minibus/van which could be used to transport equipment, donations and people.

We are delighted that on 2nd October it was put to good use to bring Shirely Macdonald, Tony Ball, Paula Bishop, Lorri Harkness and Barney the dog to our General Assembly in Murla in style!

Richard advises it helps out with their coffee mornings as well as delivering medical equipment and moving donations to their charity shops in Orba and Jalon.

JVH have very kindly offered to provide transport to those u3a members who need assistance in attending meetings, hospital visits etc. Please feel free to contact them via the JVH helpline on 634 357 199.

We are very grateful for their assistance and support and we continue to work closely with them in our community.

October 2025

Many members will have heard of Caritas, the Spanish charity founded by the Church, which helps and supports vulnerable people and those in need of any nationality and religion in the community. To quote them: "We call it charity, generosity and humanity. When someone extends his hand to us and moves our hearts, we respond with shared humanity".

Twice yearly, at Easter and Christmas, we hold a collection of household goods and toiletries at our General Assemblies for the Murla/Benigembla branch of Caritas to distribute amongst local families in need. They are not encouraged by their Head Office in Valencia to accept food donations.

Chris and I were invited to a meeting earlier this year with Caritas Jalon/Lliber and Jalon Valley Help to better understand what they do, who they help and to see if there was any way we could assist them. We have just attended a second meeting to understand better the financial challenges they face and, in particular, the times of year they are most in demand. Unsurprisingly the winter months are the most challenging as families struggle to afford heating, medications and warm food.

Many towns/villages have a branch of Caritas, which is a national Spanish charity, but each branch operates independently. Jalon and Lliber are joined. They are a small group of 10 local Spanish ladies who look after more than 30 families currently in the two villages who need financial and social support. These are families who do not receive any financial support from the Government. The President explained that if they do receive support then Caritas cease to help them.

So what do they do for these families? They work with the Town Hall and the Social worker to identify families in genuine need. These may be families who cannot work or who are on very low income.

October 2025

The welfare system in Spain is nowhere near as generous or supportive as in the UK and unless you are Spanish and have family who can support you in times of need, the situation can be very difficult.

They then provide food tokens to be spent in Mas y Mas, 10 euros at a time, to buy essential food items only. Large families may receive a little more and may receive a few a month, up to 50 euros a month. Those of us who shop in Mas y Mas will appreciate 50 euros a month will not feed a family easily. Caritas's monthly bill with Mas y Mas usually exceeds 1000 euros. In addition, they pay for or subsidise school meals for some children of less fortunate families which costs Caritas approximately 115 euros a month.

They can also assist with prescription costs at the pharmacy and, in exceptional cases, assist with rent and/or household bills for a maximum of three months. Amazon used to assist with this rent assistance via Caritas head office, but unfortunately they are ceasing their financial support.

So how do Caritas Jalon/Lliber raise money to support these families?

They receive a nominal sum once a year from the Town Hall. The Lions organisation kindly hold an event twice a year on their behalf to raise funds. The church in Jalon donates its collection four times a year and the Caritas volunteers hold a raffle at Xalonia and the Lliber Christmas fayre. Jalon Valley Help very generously top up their funds on a regular basis when they are running low and our Goodwill team made a donation of 1000 euros earlier this year following our first meeting with them when Caritas's funds were running dry.

Goodwill's terms of reference commit to supporting registered charities in the valleys and surrounding areas and every euro we raise through fundraising events and members' generosity is donated annually to valley and local charities. To date we have for no particular reason not supported a Spanish charity financially, but we felt this was a very worthwhile cause. We are proud to be part of this wonderful community we live in and are keen to forge better links with the local Spanish community.

I am delighted that the Goodwill team agreed and decided to donate the 1000 euros on your behalf to Caritas Jalon/Lliber and we will include them annually when deciding how to allocate any funds we raise in future. We hope you will agree this is a very deserving cause and a huge thank you to all our members who support all our fundraising activities. We couldn't do it without you! We really do appreciate it and are proud of how much our u3a does to help local charities in need.

If you are part of any groups or organisations that fund raise you may wish to consider supporting Caritas and spreading the word. Many non-Spanish will not be aware of them as they do not publicise what they do, they simply work quietly behind the scenes as a small group of wonderful volunteers. We have offered to help them with publicity going forward, being one practical way in which we can support them.

If you see the ladies selling raffle tickets at local events,
please support them.

As with all fundraising, every euro counts.

Gandia Men's Shelter

Another car load of donated medicines, toiletries, shoes, underwear, clothes, spectacles etc off to the men's shelter at Gandia.

Fantastic to see it all going to a great cause and not being thrown away.

Thank you for all your support. It makes a huge difference to the shelter as they have to pay for all prescribed drugs otherwise.

Two doctors and a pharmacist who give their service free of charge manage the prescribing and distribution of the drugs so it is all used safely.

Another great way our u3a supports those less fortunate in the community. Please keep bringing them to any meeting or coffee morning.

Wednesday, 5 November 2025: Art of the 21st Century, by Anna Moszynska

How do we make sense of the art of our time?

Anna examines some of the recent trends and practices that have helped define the art of the new millennium.

Under the influence of globalisation, art from continents that have so often been overlooked in the past, now play a major role in museum acquisition.

Why have documentary practices and new media become so dominant, with 'participation' and 'relational aesthetics' emerging as key expressions.

The Arts Society Marina Alta (TASMA) welcomes you at two locations on Wed., 5 Nov. 2025:

“As seen on TV” is the title of the International Choir’s next fun-filled concert on 20 November in the Salon de Actos, Teulada starting at 7pm. The Salon de Actos is situated between the Teulada main square and the underground parking area next to the library.

Following their successful concerts in recent years based on Eurovision songs and James Bond film themes, the choir will be singing theme songs to some of your favourite TV favourites such as The Muppets, Game of Thrones, Fame, Dr Who and others.

Tickets priced at €12.50 can be booked online at the choir’s website - theinternationalchoir.com – or entry on the door will be €15. This year the proceeds will be donated to the Alzheimer’s Society (Teulada – Moraira) and Project 4 All.

The International Choir will also be holding their traditional Christmas Carol Concert at Moraira Church on 12 December and their more informal and popular Christmas sing-a-long at Saxo's on 16 December.
